Kentuckians were badly treated in Speaker Henderson's committee assignments. Neither Kentucky nor Tennessee has a member on the Rivers and Harbors Committee, Representative Kelso, who was highly indignant for the place, failing to secure the assignment.

### THE JOLLY ELKS.

The First Social Session, Held Last Night, a Pleasant Affair.

Maysville Lodge No. 704, B. P. O. E., held its first "Social Session" last night, and the occasion was a delightful one.

There was a good deal to "fill the inner man," and the speeches and anecdotes kept pace with the general enjoyment.

Among the distinguished guests and speakers was Colonel J. G. Craddock of Paris, who was here to make a side-track good thing, and it's safe to say that for once he didn't go to bed hungry.

Other speakers were Judge Charles D. Newell, W. Henry Wainwright, Colonel George Griffin, Captain H. J. Cochran and Ralph Dimmitt, all of the local Lodge.

These pleasant features of Elksdom are billed to occur each month hereafter.

Now is the time to join.

MRS. AMELIA STEVENSON.

Her Death at Her Home at Maysville Yesterday Afternoon.

Mrs. Amelia Stevenson, widow of the late John Stevenson, died yesterday afternoon at 2 o'clock at her home at Maysville.

She was in the 70th year of her age, and had been an invalid for over two years, suffering from paralysis.

Mrs. Stevenson was one of Mason county's good women, beloved by all who knew her.

Five children survive—two daughters, Mrs. Margaret Wood of Nicholasville, and four sons, J. H. of Ponca City, Oklahoma, N. B., J. C. and J. W. of Maysville.

The funeral will take place tomorrow morning at 10:30 from her home, with services by the Rev. W. T. Spears and Rev. Maurice Walter. Burial at Shannon.

Vancouver will probably duplicate the Ripley light plant.

### TROUTS—GABBY.

Quiet Wedding Yesterday Afternoon at the Bride's Home.

The wedding of Miss Lizzie Trouts and Rev. Henry E. Gabby occurred yesterday afternoon at 2 o'clock at the home of the bride on Market street, in the presence of a small company of relatives and friends of the happy couple.

Dr. John H. Boyat, Pastor of the First Baptist Church, performed the ceremony.

The bride is the daughter of Mr. and Mrs. William Trouts and Maysville can claim no more highly respected young lady than she.

The groom is a son of Mr. William Gabby of Forest avenue and is one of the most promising young men who has ever left Mason county for a home and other surroundings.

He is now Pastor of the Baptist Church at Newport, Ark., and thither he left, with his wife, over the C. and O. yesterday afternoon, followed by the best wishes of scores of friends.

Margaret Emma, youngest child of Mr. and Mrs. C. H. Wedding, died of tonsillitis this morning at 1:30 o'clock, aged 2 years and 11 months. The funeral will be from the residence tomorrow afternoon at 3 o'clock. Rev. H. E. Moss officiating. Burial in Maysville Cemetery.

For Fur Scarfs and Hosiery, go to Mrs. L. V. Davis.

### ENTERTAINMENT REPEATED.

Boys and Girls Rally Day Program at the Christian Church.

The Christian Church Sunday-school decided last evening to repeat tomorrow night the beautiful and interesting religious and patriotic entertainment given last Sunday evening.

On account of the stormy weather last Sunday many were prevented from attending and the wish has been expressed that it be repeated.

While the entertainment tomorrow night will be a repetition in many respects, yet some features of last Sunday's program will be cut out and other selections substituted.

It will be a musical entertainment with a few short recitations and a Bible study interspersed. Among the musical selections will be some solos by Dr. Smoot and duets by the Misses Tolle and the Misses Stiller.

The Church will be even more handsomely decorated than it was last Sunday.

Everybody is most cordially invited. A collection will be taken for Home and State Missions.

All members of the school are requested to meet at the Church at 7 o'clock tonight to rehearse the songs and recitations.

### THE MISSIONARY SOCIETY.

Very Pleasant Meeting Yesterday at Mr. J. C. Pecor's Home.

The hospitable home of Mr. and Mrs. J. C. Pecor was thrown open to the Missionary Society of the First Presbyterian Church and a praise service was held yesterday afternoon, which was more gratifying in its results than the death pang of its promoters could possibly have anticipated.

Invitations very general had been issued to members of the Church, envelopes for thank-offerings were distributed, and in some cases friends who could not find it convenient to attend kindly sent their contributions, and a neat sum was collected for missions.

A number of dainty articles were exhibited and on sale, which were originally from far away Japan and Korea. They were sent by Mrs. Pecor by a "ship line," which raises money in this way to assist feeble churches.

After the program refreshments were served, and this social feature defrayed in no small degree from the production of the occasion.

## HORRIBLE ACCIDENT.

William B. Barkley of Lewis County Killed Here This Morning.

William B. Barkley, aged about 60 years, a well-to-do stock trader residing near Pearis, Lewis county, met with a horrible death in this city about 12:30 o'clock this morning.

He had loaded a car of cattle at Springfield in the afternoon, which was brought to this city by the local freight and switched just below town.

Freight No. 35, due here at 12:00 a. m., was to pick up this car and take it to Cincinnati.

Mr. Barkley was at the station waiting the arrival of this train and when it did arrive it was a double header.

Mr. Barkley left the station, it is supposed, for the purpose of getting on the train to go down to the switch; both engines were disconnected before starting for the switch and in crossing the track Mr. Barkley stepped directly in front of them, both engines passing over him and mangle the body in a horrible manner.

Death was instantaneous.

The remains were conveyed to the undertaking establishment of Melvin & Humphreys and after being prepared for burial will today be taken to his late home.

Deceased was a nephew of the late Henry C. Barkley of this city and had been engaged nearly all his life in stock-trading, a part of the time in the West.

He lived with his brother, Mr. Asa Barkley, and a sister, and leaves no other immediate relatives.

The Otto Market passed down yesterday with Kanawha coal.

The Cruiser, James Moren, Charles Brown, Joe Williams, Valiant, Ironsides, Raymond Horner, Oakland, W. H. Flint and Frank Gilmore left Pittsburgh today with heavy loads of coal and steel.

Last week 340,000 tons of coal, shipped by all companies, passed the Davis Island and Dam. In this time this shipment totaled 9,400,000, and this is about as correct an estimate as the government figures can make it. Of this amount 1,700,000 bushels of coal were shipped by the independent companies, leaving a total of 7,700,000 bushels of coal moved to the South by the coal combine. During the first week of navigation in 1900 the amount of coal passing the Davis Island Dam according to the records kept there, was 518,000 tons or about 13,000,000 bushels. This shipment covered a period of eight days against five days last week.

It will promptly arrest consumption in the early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. GOLD ORE FOUND.

Four Kentucky Prospectors Are Filled with Enthusiasm Over An Expert's Glowing Report.

Williamstown, Ky., Dec. 12.—Parties who have been prospecting on Stephens creek, in this county, for gold have received a report from the government expert at Charlotte, S. The committee had in mind a site of 500 acres, but were astonished by Secretary Root, who said the war department would not consider a site of less than 20,000 acres. The bureau appointed Wednesday will endeavor to find an available tract of land fulfilling the requirements of the war department, and if such a tract is found, Secretary Root will send army officers to examine it.

After the suit was ended at \$1,000 in damages recovered for the state, Denny asked Auditor Conner to pay him a fee of \$750. Conner declined to pay because the law did not give the attorney general power to employ attorneys in such suits, as Denny sued Conner to compel him to pay the fee. The court of appeals Wednesday sustained Conner and says the attorney general can not employ attorneys in such tax cases.

## ATTACKED HOUSE OF A PRESIDENTE

An Insurgent Leader, After Taking the Oath of Allegiance, Murdered a Native Woman, Received a Death Sentence.

Washington, Dec. 12.—A military commission, headed by Maj. Henry S. Turill, surgeon, sentenced Juan Olivar, a Filipino, to be hanged. Olivar was the leader of a band of Ladrones which made an attack upon the house of Teodoro Labrador, presidente of Misina, Panay, and captured him, his brother, wife, grandmother, godmother, small daughter and a policeman. The grandmother, godmother and daughter were shot to death in the vicinity of the capture. Labrador, his wife and the policeman were taken to an isolated spot and killed with bolts. The brother made his escape. Incidentally Olivar and his band robbed Labrador of 78 carts, 300 pesos and other articles.

Gen. Chaffee criticized the proceedings of the capture. Labrador, who was charged solely with the murder of Labrador, assault upon him with intent to kill, and robbery, while the grandmother and his small daughter and the policeman were not included in the charges.

A band of Tullahoma, armed with bolts, rifles and shotguns, killed 11 members of the Echevarria family at Naro, Masbate, in August, 1900, for the sole reason that the victims were Spaniards. Two of the women were brought to trial and were sentenced to be hanged. But, in view of the fact that the more responsible participants in this crime against man paid the death penalty, the sentences were commuted by Gen. Chaffee to life imprisonment.

## HIS PLAN FAILED.

John T. Brush's Scheme for Syndicate Baseball Voted Down at the New York Meeting.

## NATIONAL LEAGUE IS PERMANENT

It is Now Back Where It Was Before the Signing of Indianapolis Agreement of 1891.

It is Said That Pittsburgh, Boston, Chicago, Brooklyn and Philadelphia Will Vote For Spalding For President.

New York, Dec. 12.—John T. Brush's scheme for a revolution of the national game is crumbling. At the meeting at the Fifth Avenue hotel Wednesday, the National league managers decided by a majority vote that the league was a permanent body and that it was to be continued with the expiration of the Indianapolis agreement December 18. It was decided also that no club can be expelled from the league except for specified causes as set forth in the constitution and by-laws of the organization. Thus Mr. Brush's plan for syndicate baseball came to an end.

The vote followed a resolution to declare the league out of existence on and after December 15. For several hours the matter had been discussed and argued pro and con. The speeches, it is said, were stormy ones. Charges of bad faith were made on both sides. Finally a vote was taken. The result, according to excellent authority, showed that Brooklyn, Boston, Philadelphia and Cincinnati voted against the motion. St. Louis voted aye, while New York and Cincinnati did not vote. The vote, it is said, means that the National league is back where it was before the signing of the Indianapolis agreement in 1891.

An attempt was made at Wednesday's meeting to elect A. G. Spalding president. It was at first reported that he had been beaten, but this turned out to be untrue. Shortly after the managers went into session Dr. Deffries made a motion that the election of officers be proceeded with. This was amended that A. G. Spalding be unanimously elected president. The high was done away with the regular order of business, as to proceed with the election. In the regular order of reports of the board of directors and those of various committees must be heard before the election can be proceeded with. When the matter was put to a vote Boston, Cincinnati, St. Louis and New York voted for proceeding in the regular order, thereby setting back Mr. Spalding's election.

It is said upon good authority that at least five of the clubs favor the election of Mr. Spalding. They are Pittsburgh, Boston, Chicago, St. Louis and Philadelphia.
